## YARD WASTE

grass clippings, leaves, weeds, small branches, etc

### use your OWN CONTAINER labeled “yard waste” or paper yard waste/leaf bags

.Do not mix yard waste with other recyclables or household trash.

- Place loose in a trash can or wheeled cart labeled “yard waste,” or use paper yard waste bags (aka leaf bags).  
**You may NOT use plastic trash bags for yard waste.**
- Small limbs up to 4” in diameter, cut to max. length 4-feet, may be tied into collectible bundles.
- Please cut thorny branches into small pieces and place in a closed bag for the safety of the collectors.

## BULK ITEMS

must be scheduled with Customer Service • 302-832-8000 • 8am-5pm

1 large item per month allowed (sofa or table, for example). Small items (lamps, etc) may be put out with regular trash. If item is too large, it cannot be collected, and you can schedule a bulk item pickup.

### MORE RECYCLING AT DSWA

Delaware Solid Waste Authority hosts special collection events throughout the year for household hazardous waste, electronics goods, and paper shredding. They maintain drop-off sites throughout the state; many accept materials that you CANNOT include in your weekly collection, such as: household batteries, motor oil, oil filters, and aerosol cans. For more information about these recycling programs, see [de.gov/recycling](http://de.gov/recycling) or call the **DSWA Citizens Response Line at 1-800-404-7080.**
